

## Scripture Spotlight

### Ephesians 2:10

*"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."*

This verse reminds us that each of us is intentionally made by God, with unique gifts, abilities, and purposes. At EWA, one of our core focuses is helping students recognize and prepare for the plans God has for them. Through education, spiritual growth, and service, we aim to equip our students to step confidently into the good works God has already designed for their lives. It's a beautiful reminder that every lesson, every act of service, and every moment of growth is part of God shaping them for His plan.

## Called to *Serve*

At EWA, we're called to serve God and those He places in our lives (1 John 3:18; Ephesians 6:7). Recently, our older scholarship students spent their day off caring for FHS staff children—a beautiful example of serving with joy and love in action!

## Soaring In Service

On October 29, we gathered for *A Morning of Thanks and Ministry Insight*, celebrating all that the Lord is doing at EWA through the many faithful volunteers He has called and equipped. We were especially moved by hearing from one of our EWA parents, who shared their family's story of fleeing persecution in Pakistan, a powerful reminder of God's faithfulness and a testimony that strengthened our faith.

## What Will Set You Apart?

Our students are rewarded for work or behaviors that set them apart from their peers. Isaac worked hard on a specific academic goal and earned a lunch in EWA with two friends.

FOR COLLEGE

*Transforming lives, transforming communities.*

A beautiful example of God's provision, EWA and Onpoint for College came alongside one of our families, offering guidance and support as they navigate the financial aid process and prepare for the next chapter in education.

Career

# Speaker Spotlight

In October, we were pleased to welcome Mr. Derek Henderson, an environmental engineer from Micron, as our career speaker. He discussed his work in environmental engineering and the importance of sustainability in the technology industry. Mr. Henderson also shared exciting information about the job opportunities that will be coming to Central New York with Micron in the future.

## Through the Eyes Of...

The Lord raises up many individuals to support EWA in unique and meaningful ways. We hope that hearing from our volunteers will offer you a glimpse of how He works and provides through many different people. In this edition, **Sandy Booher**, a dedicated prayer partner and volunteer, shares her perspective on how the Lord is at work through this ministry.

"I am so grateful for the privilege of being a prayer partner for my student at EWA. Getting to know her, her family, interests and how I can pray for her, has been a true blessing. As I pray for her, I am honored to support her journey, not just academically, but spiritually, emotionally and personally, and I am thankful for how EWA supports her in all these areas as well. I look forward to continuing to lift her up in prayer and seeing how God will work in her life."

## Parent Orientation

Parents gathered for a morning of information, connection, and prayer at EWA's annual Parent Orientation, equipping families for the year ahead.

# Gifts of Remembrance and Honor

## In Honor of Sybella

A recent donation was given by **Richard and Jean Palmer** in honor of **Sybella**, one of our EWA students. We are deeply grateful for their generous gift, which helps make it possible for students like Sybella to receive a Christ-centered education and grow in both faith and knowledge.

## In Honor of Anna Shipe

EWA recently received generous gifts from the **CNY Community Foundation** and an **anonymous donor** in honor of **Anna Shipe**. Anna, one of EWA's faithful co-founders, together with her husband, trusted the Lord and established EWA in 2008.

We are deeply grateful for these thoughtful gifts given in her honor, a beautiful tribute to Anna's vision, faith, and dedication to providing students with a Christ-centered education.

## In Honor of the Carsten Family

A recent gift was given in honor of the Carsten family, **Todd, Christa, Kelli, and Daniel**. EWA is deeply grateful for this generous donation, which helps our students receive a Christ-centered education and grow in both faith and learning.

**Green Hills Farms and Wegmans** recently donated gift cards for our Volunteer Soaring in Service Breakfast. With these donations, we were able to provide a delicious breakfast for our volunteers and guests. Thank you for your generosity!

# Thank You to Our Scholarship Donors

## Scholarship Spotlight: The Doe Family

**Dear Donor,**

Thank you so much for your support at EWA! Because of your commitment and dedication, I am grateful that my kids can keep learning at Faith Heritage School.

I would love to share my background with you.

Raised in a strong Buddhist family, I was devoted to its teachings, believing that doing good would lead to a better life and go to heaven. I never realized

I was born a sinner and needed salvation. By the grace of God, in 2016, I received salvation and dedicated my life to Christ. I've come to realize that

life is not always easy and even trying my hardest, it will not save me from going to hell. But now with God by my side, I can face any challenge.

Even in my darkest moments, I find joy, peace, and hope in the Lord.

My husband and I prioritize sharing our faith with our kids and teaching them to put God first in their lives.

I'm grateful that my kids are learning about their Savior at home, and I am relieved to know they are also thriving academically and spiritually at EWA

and FHS. **We praise God for donors like you, that give so my children can attend a Christian school.**

**May God continue to bless you abundantly. Thank you for being a blessing to us; we appreciate you and are so grateful.**

Sincerely,

**The Doe family**

**We give thanks to God for each of our donors. Your generosity allows EWA students to grow in faith, wisdom, and knowledge. May the Lord bless you abundantly for the difference you make in their lives.**
