

Scripture Spotlight

"But seek first the kingdom of God and His righteousness, and all these things will be added to you." — Matthew 6:33

What comes first in our lives? Schedules, responsibilities, worries, and daily tasks can easily fill our attention before we even realize it. In Matthew 6:33, Jesus gently reorders our priorities with a powerful reminder: **seek God first**.

When we choose to place God at the center of our decisions, our time, and our hearts, everything else begins to fall into its proper place. This doesn't mean life becomes problem-free, but it does mean we are no longer trying to carry everything on our own.

At Eagle Wings Academy, we want our students to learn this truth early in life: that the best foundation for school, relationships, leadership, and the future is a life that **puts God first**. When our focus begins with Him, we can trust Him to guide the rest.

In Their Own Words: An EWA Family

Dear Scholarship Donors,

First, we would like to express our deepest gratitude to Faith Heritage School and Eagle Wings Academy for accepting our daughter, Cing Zem and for blessing her with this generous scholarship.

As a family, we prayed faithfully for over a year before she was accepted. While we are not able to fully support her education financially, your generosity and love for the Lord have made this opportunity possible. Your giving has truly been an answer to prayer.

Since attending this school, we have seen beautiful growth in Zem Zem both spiritually and academically. She has developed a love for reading and joyfully shares the Bible lessons she learns at school during our family devotions and at church. She desires to dress modestly, honor God, and live according to His will. We are so thankful she is in an environment where Biblical truth is taught and where she is surrounded by Godly teachers and friends. Your kindness has not only met a financial need, but it has caused our hearts to overflow with gratitude to God.

This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.
2 Corinthians 9:12

We can never fully repay your generosity, but we pray that God will bless you abundantly for your faithfulness and kindness.

With sincere gratitude,
The Thang Pu Family

What Will Set You Apart?

At Eagle Wings Academy, we want to encourage students not only to grow academically, but also in **character, responsibility, and faith**. Our *Set Yourself Apart Awards* recognize students who go the extra mile and demonstrate habits that reflect these values— habits that can become **lifelong skills**.

This month we celebrate **Grace and Jonathan**, who completed extra math and reading practice over break, showing dedication to their learning even outside of school.

We also recognize **Sarah**, who memorized two Bible verses, recited them during morning devotions, and shared how she is applying those verses to her life.

These moments reflect the heart behind the award, students choosing to **set themselves apart through hard work, faith, and a desire to grow**.

Creative Excellence: Dawn Recognized in Scholastic Art Show

We are pleased to share that one of our scholarship students, **Dawn**, recently had a photograph accepted into the **Scholastic Art Show** at Onondaga Community College. Her work was awarded an Honorable Mention, which is a wonderful accomplishment.

This juried exhibit receives nearly **5,000 student submissions each year**, with only about **1,000 pieces selected** to be displayed. Dawn's photograph being chosen and recognized, makes this achievement especially meaningful.

We are so proud of Dawn and grateful to see her using the creativity and gifts God has given her.

Career & Trades Fair

Each year, Eagle Wings Academy partners with FHS to host our annual Career & Trades Fair. This year, more than 25 professionals joined us, representing fields such as law enforcement, firefighting, carpentry, heavy equipment operation, medicine, law, engineering, massage therapy, speech therapy and more.

Students had the opportunity to ask questions and learn directly from those working in these careers. We are grateful to each professional who took the time to share their experience and invest in our students.

In Loving Memory of Anna Shipe
